International Conference on Applied Biotechnology for Medicine, Pharmacy and Healthcare: (1) Inviting abstracts, (2) applications for the 2023 SAB Annual/Conference Awards of Society for Applied Biotechnology, and (3) Book chapters / reviews for publication in Medical, Pharmaceutical and Healthcare Biotechnology by CRC Press, USA

Greetings from the Society for Applied Biotechnology!

(1) We are pleased to announce the registration and abstract submission of the Society for Applied Biotechnology sponsored forthcoming “International Conference on Applied Biotechnology for Medicine, Pharmacy and Healthcare” to be held at **Hotel Manipal Inn, Udupi, Karnataka, India** during **29-31 March 2024**. On behalf of the Conference Organizing Committee and on behalf of the Society for Applied Biotechnology, I hereby invite you to contribute abstracts for keynote address, plenary lecture, invited talk, oral and eposter presentation towards active participation onsite and online in the upcoming conference. Please submit the abstract through following links:

Abstract Submission for Onsite Presentation and Onsite Participation

<https://forms.gle/LB7qbPEMDH8e8AGf6>

Abstract Submission for Online Presentation, Online Participation and ePoster Presentation

<https://forms.gle/wkvpgWV7DT7v14rX6>

Important Deadlines

Submission of abstract – 10 March 2024

Notification of abstract – Within 72 hrs after abstract submission

Final registration – 15 March 2024

(2) For more details about the “2023 FSAB and SAB Annual/Conference Awards of Society for Applied Biotechnology”, email your interest with brief CV to **drthanga.sabt@gmail.com** before 10 March 2024.

(3) You can as well submit book chapters/reviews if any for possible publication in Medical, Pharmaceutical and Healthcare Biotechnology by CRC Press, USA. Final deadline for chapter/review submission is 30 April 2024 and for further details, please contact **prathima.sabt@gmail.com** with tentative chapter title and author details.

We are looking forward to your active participation!

With Warm and Kind Regards

Prof. Dr. Devarajan Thangadurai
